

More Than Just One Of The Boys

John Cafferty & the Beaver Brown Band

Me and my buddies rule the corner
Down on South Beach Avenue,
But since I met you baby,
All my corner boy days are through,

Cause Oh, oh, oh, oh
Oh, oh, oh, oh,
Everytime you kiss me I'm more than just one of the boys

Billy he's my best friend
And he thinks I'm really taking a chance,
I may be acting funny but I like this feeling of romance

Cause Oh, oh, oh, oh
Oh, oh, oh, oh,
Everytime you kiss me I'm more than just one of the boys

Every night after work I wanna walk you home,
All day long I been thinking bout the time I'm
gonna get you alone

Since I met you baby,
I been making plans,
I know something little girl,
I wanna take you to the preacher man

Cause Oh, oh, oh, oh
Oh, oh, oh, oh,
Everytime you kiss me I'm more than just one of the boys
