

Wild Summer Nights

John Cafferty & the Beaver Brown Band

Street lights, crystallize the city
Scarlet, sunset soft and pretty
Shadows, race along the beach
Schoolboys are back out on the streets
Gears are power shiftin' down the old escape road
All the kids are dancin' as the jockey spins gold
Everybody's fakin' that they'll never grow old
Open up your door
Let those lake pipes roar
Into the

Wild summer nights oh babe those
Wild summer nights (summer nights)
Wild summer nights oh babe but
Wild summer nights
Summer nights

Strangers cruising' down the south strip
Cool cats searchin' for some hot lips
Night-shift neon ribbons flash forever
Rebels lace midnight in black leather
Shipwrecked pirates claim their treasures in the sand,
Sidewalk surfers ride the streets in super vans
Beach fires light the faces of the gypsy caravans
Open up your door
Let those lake pipes roar
Into the

Wild summer nights oh babe those
Wild summer nights (summer nights)
Wild summer nights oh babe but
Wild summer nights

Wild summer nights oh babe those
Wild summer nights (summer nights)
Wild summer nights oh babe those
Wild summer nights oh babe but
Wild summer nights
But wild summer nights
