

## Autobiography

John Cale

I never wrote a song called "Cocaine"  
I never told a lie  
I never wrote a song called "After Midnight"  
But my name is Cale  
You can call me John  
Yes my name is Cale  
I know, I know, I know  
How that will be  
I don't come from Oklahoma  
I don't come from the Midwest  
I come from South Wales  
I come from nearby Swansea  
And the name of the village  
The name of the village is Garnant  
I know, I know ...  
You remember when you were a kid  
You remember when you were whole  
I never remember anything I do  
I'll never be part of history  
I'll never be part of history  
You wanna think about how you like your friends  
You wanna think about, if you have any friends at all  
Any friends at all  
I don't wanna know, I don't wanna know  
I don't wanna know how others feel  
I never wrote a song called "Cocaine"  
I never told a lie  
I never wrote a song called "After Midnight"  
But my name is Cale  
You can call me John  
I'll be your friend  
I know, I know, I know  
What kind of friendship that will be
