

# Baby What You Want Me To Do

John Cale

Got me runnin'  
Got me hidin'  
Got me run hide hide runnin'  
Any way you wanna let it roll  
Yeah, yeah, yeah  
Got me doin' what you want me  
Baby what you want me to do

Goin' up  
Goin' down  
Goin' up down down up  
Any way you wanna let it roll  
Yeah, yeah, yeah  
Got me doin' what you want me  
Baby what you want me to do

Got me peepin'  
Got me hidin'  
Got me peep hide hide peepin'  
Any way you wanna let it roll  
Yeah, yeah, yeah  
Got me doin' what you want me  
Baby what you want me to do
