

Hungry For Love

John Cale

If your hungry, hungry for love
See me, come see me 'bout love
If you're searching, searching for love
Find me and I'll give you me love
You can walk on water
Cause you're feeling strong
You can walk, you can walk on water
If you're waiting, waiting for love
I'll come find you, and give you all my love
If you're fighting, fighting for love
Don't surrender to nothing but love
You can walk on water
Cause you're feeling strong
You can walk, you can walk on water
So if you're thirsty, thirsty for love
Or you're crazy, crazy for love
You can see me, see me for love
Cause I'm hungry, hungry for love
You can see the writing
It's on the wall
You can see the writing
It's ten foot tall
