

# Hush

John Cale

Hush, hush hush  
Put your lips on mine  
Put your lips on mine  
Hush, hush hush goodnight  
Hush, hush hush goodnight  
Hush, hush hush goodnight  
Hush  
Put your lips on mine  
And don't tell a soul  
Put your lips on mine  
Give it up  
Let it go  
Hush, hush hush goodnight  
Hush, hush hush goodnight  
I can feel your body  
(give it up)  
I can feel your mine  
(let it go)  
Take me up to heaven  
(give it up)  
Never go home again  
Hush hush goodnight (repeat)
