

So Much for Love

John Cale

Since you've been gone
Many things have changed
The days get longer
We spend our nights alone
Before you took
The time to see
You didn't let me down
You're a phone-call away
Now the time has come
To think of you a while
I cannot leave you now (I cannot leave you now)
Though the door is open wide (oh open wide)
You're in my mind and soul
And I've said it before
So much for love
So long for now
So much for love
It's been good to know you
We'll meet again
Where it all began
A souvenir of the past
And I guess it's the last
So much for love
So much for love
