

Woman

John Cale

You're ignorant, you're cool
You never learnt to say you're sorry
A woman in my past
is living on pins and needles
Oh, oh
Oh, oh
It's all my fault
Oh, oh
Oh, oh
What's a fool to do
A woman in my past
A woman in my present
A woman in my past
A woman in my present
I know your style
Smile when you're angry
that's no way
To get my attention
Oh, oh
Oh, oh
Laughing at me
Oh, oh
Oh, oh
All those memories
A woman in my past
A woman in the present
A woman in my past
A woman in the present ...
