Right Now

Yeah You can't help but feel it Can't help but feel this one Uh-huh uh yeah

Excuse me for a minute while I lighten the mood Just clap with me like the lightning do, yeah A bit of soul food that you be bitin into And if you feel me then I'm writin for you, uh-huh Right now put another coat of wax on the ride For a minute put the beef and the gats to the side Cause this track's got a vibe to chill to Enjoy life for 5 minutes, man it's not gon' kill you It's okay to be hard and stay true man But at the end of the day, we all hu-man This one's for you, the ones that you close to Show some love, it's what you supposed to Right now, forget the ends and the Benz Pop a cold one, man toast it wit'cha real friends Call your folks, tell 'em you tight now Cause everything lookin pretty good right now

Right now baby, we all gon' ride So place those things on your hips or side The soul vibe gon' change, give way with fame But sometimes the moral change or stay the same Relax baby, right now you here And sit back baby, with a round of beer And cheer to those friends who crowded near For those passed on in spirit they there It's gon' be what it must, break bread wit'cha crew If you got kids take the crust It's all love baby, tell your girl she's strong And whisper in her ear after dinner it's on And take it slow baby, cause everything real When you at family dinner y'all enjoy that meal Thank God that you healthy and you keepin it tight And keep your dreams lighthearted when you sleepin at night

Yeah - and right now I'm showin love to my brothers and my old man To my girl, "Let's Get it On" like the slow jam To everybody that I'm runnin down the road with Y'all my family, I know that you know this Fox, Rock, B's and Chaos Y'all growin up with me man, true to life players Grandma or grandpa watchin up above Trademarc you my heart cousin, nothin but love

Thanks momma, for all that you was You a strongarm lady baby crazy with love My sister raised me, those are the facts And taught me how to rebuild when the order collapsed And right now I'm blessed no stress no less And thanks hip-hop for givin me back focus, huh Yeah John, what can I say? It's all love from day one, you showed me the way Tištěnoz www.txp.cz Sponzor: www.srovnavac.cz-šetříme na pojištění!
