

## My Favorite Things

John Coltrane

Raindrops on roses and whiskers on kittens  
bright copper kettles and warm woolen mittens  
brown paper packages tied up with strings  
These are a few of my favourite things  
Cream colored ponies and crisp apple struddels  
Doorbells and sleighbells and schnitzel with noodles  
Wild geese that fly with the moon on their wings  
These are a few of my favourite things  
Girls in white dresses with blue satin sashes  
Snow flakes that stay on my nose and eyelashes  
Silver white winters that turn into springs  
These are a few of my favourite things  
When the dog bites, when the bee stings, when I'm feeling  
sad  
I simply remember my favourite things  
and than I don't feel so bad!
