

My Favorite Things

John Coltrane

Raindrops on roses and whiskers on kittens
bright copper kettles and warm woolen mittens
brown paper packages tied up with strings
These are a few of my favourite things
Cream colored ponies and crisp apple struddels
Doorbells and sleighbells and schnitzel with noodels
Wild geese that fly with the moon on their wings
These are a few of my favourite things
Girls in white dresses with blue satin sashes
Snow flakes that stay on my nose and eyelashes
Silver white winters that turn into springs
These are a few of my favourite things
When the dog bites, when the bee stings, when I'm feeling
sad
I simply remember my favourite things
and than I don't feel so bad!
