

Bet On The Blues

John Denver

Five hundred'll buy you a stack. Bet it on the red or the black
and you'll lose, bet on the blues.

You tell me you're a gambling man.

Try to beat the house if you can and you lose, bet on the blues
.

If you're looking to get an inside slant,
if you're looking for something so good you can't refuse, bet o
n the blues.

Find a man who thinks he's over the hump,

I'm here to tell you he's a kind of a chump you can use, bet on
the blues, bet on the blues.

Lucky old sun is shining today. Even money says you'll be payin
g some dues, bet on the blues.

You say you found your lady fair.

Eight to five she's wearing her traveling shoes, bet on the blu
es.

Five hundred'll buy you a stack. Bet it on the red or the black
and you'll lose, bet on the blues.

You tell me you're a gambling man.

Try to beat the house if you can and you lose, bet on the blues
.

If you're looking to get an inside slant,
if you're looking for something so good you can't refuse, bet o
n the blues, bet on the blues,
