

# Calypso

John Denver

To sail on a dream on  
a crystal clear ocean  
To ride on the crest  
of a wild raging storm  
To work in the service  
of life and the living  
In search of the answers  
to questions unknown  
To be part of the movement  
and part of the growing  
Part of beginning to understand

(chorus)

Aye calypso, the places you've been to  
The things that you've shown us  
the stories you tell  
Aye calypso, I sing to your spirit  
The men who have served you  
so long and so well

Like the dolphin who guides you  
you bring us beside you  
To light up the darkness  
and show us the way  
For though we are strangers  
in your silent world  
To live on the land we  
must learn from the sea  
To be true as the tide  
and free as the wind-swell  
Joyful and loving in letting it be

(chorus 2x to fade)
