

# Chained To The Wheel

John Denver

Know what you really need  
You can't get enough  
Too many mouths to feed  
Ain't life enough  
Call this survival  
Don't pray for a sign

Know what you really want  
You can't get it back  
Down on the water front  
Better watch out jack  
Nights on the mainline  
Rust on the rail

I've seen 'em swindle this town  
I've seen 'em tumble it down  
I've seen red rivers, fire and steel  
I've felt the thunder chained to the wheel

Know what you mean to me  
Goes deeper than that  
Can't fight your destiny  
Don't know where it's at  
Don't look for light'n  
Or pray for a sign

I've heard the legends  
I've watched the skies  
I feel the power  
The flame in your eyes

I've seen 'em swindle this town  
I've seen 'em tumble it down  
I've seen red rivers, fire and steel  
I've felt the thunder chained to the wheel
