

# Don't Close Your Eyes Tonight

John Denver

There's a tenderness that I feel, very real you see. I can feel  
your body stir, so deep within.

Let it be an act of love tonight, completely. Let me ask of you  
one thing:

Don't close your eyes tonight. Just look at me, and see how ma  
ny times I cried for you.

Don't close your eyes tonight. Let it be me, not just a fantasy  
, let it be me tonight.

You can lie so close to someone and still feel all alone.

Although I've heard you say you love me so many times.

When you give me love so beautiful and tender, someone else is  
in your mind.

Don't close your eyes tonight. Just look at me, and see how ma  
ny times I cried for you.

Don't close your eyes tonight. Let it be me, not just a fantasy  
, let it be me tonight.

Sorry if I cry, feelings run so deep.

Many is the time when I wake up and find I've been crying in my  
sleep.

Look me in the eye, tell me what you see,

I'm the one who loves you, I'm the one who needs you, make this  
one for me.

Don't close your eyes tonight. Just look at me, and see how ma  
ny times I cried for you.

Don't close your eyes tonight. Let it be me, not just a fantasy  
, let it be me tonight.

Don't close your eyes tonight. Just look at me, and see how ma  
ny times I cried for you.

Don't close your eyes tonight. Let it be me, not just a fantasy  
, let it be me tonight.
