## **For You**

John Denver

Just to look in your eyes again Just to lay in your arms Just to be the first one always there for you Just to live in your laughter Just to sing in your heart Just to be every one of your dreams come true Just to sit by your windows Just to touch in the night Just to offer a prayer each day for you Just to long for your kisses Just to dream of your sighs Just to know that I'dgive my life foryou. R: For you all the rest of my life For you all the best of my life For you alone, only for you. Just to wake up eachmorning Just to you by myside Just to know that you'renever really faraway Just a reason forliving Just to say I adore Just to know that you'rehere in my heart tostay. R: For you all the rest of my life... Just the words of alove song Just the beat of myheart Just the pledge of mylife, my love foryou.
