

## Friends with You

John Denver

What a friend we have in time  
Gives us children, makes us wine  
Tells us what to take or leave behind

And the gifts of growing old  
Are the stories to be told  
Of the feelings more precious than gold

Friends I will remember you, think of you  
Pray for you  
And when another day is through  
I'll still be friends with you

Babies days are never long  
Mother's laugh is baby's song  
Gives us all the hope to carry on  
Friends I will remember you, think of you  
Pray for you  
And when another day is through  
I'll still be friends with you

Friends I will remember you,  
Think of you, pray for you  
And when another day is through  
I'll still be Friends with You

Friends I will remember you,  
Think of you, pray for you  
And when another day is through  
I'll still be Friends with You
