

Love Is Everywhere

John Denver

Love is everywhere, I can see it, you are all that you can be,
go on and be it.

Life is perfect, I believe it, come and play the game with me.
Open yourself to the first celebration, open your eyes to the joy
and pain.

Life is the fruit of your own creation, every new birth is a soul
regained.

Love is everywhere, I see it, you are all that you can be, go on
and be it.

Life is perfect, I believe it, come and play the game with me.
Drinking my life from a silver fountain, sweet water running to
the cold salt sea.

Old man moon on white-
top mountain, sound of the wind singing dreams for me.

Love is everywhere, I see it, you are all that you can be, go on
and be it.

Life is perfect, I believe it, come and play the game with me
Follow your heart like a flying stallion, race with the sun to
the edge of the night.

Form your truth like a gold medallion, dance in the circle of the
love and the light.

Love is everywhere, I see it, you are all that you can be, go on
and be it.

Life is perfect, I believe it, come and play the game with me.

Love is everywhere, I see it, you are all that you can be, go on
and be it.

Life is perfect, I believe it, come and play the game with me.
