

Season Suite: Spring

John Denver

Open up your eyes and see the brand new day
A clear blue sky and brightly shining sun
Open up your ears and hear the breezes say
Everything that's cold and gray is gone

Open up your hands and feel the rain come on down
Taste the wind and smell the flowers, sweet perfume
Open up your mind and let the light shine in
The earth has been reborn and life goes on

Do you care what's happening around you?
Do your senses know the changes when they come?
Can you see yourself reflected in the seasons?
Can you understand the need to carry on?

Riding on the tapestry of all there is to see
So many ways and oh, so many things
Rejoicing in the differences, there's no one just like me
Yet as different as we are we're still the same

And oh, I love the life within me
I feel a part of everything I see
And oh, I love the life around me
A part of everything is here in me
A part of everything is here in me
A part of everything is here in me
