

## Season Suite: Winter

John Denver

It's cold and it's getting colder  
It's gray and white and winter all around  
And oh, I must be getting older  
And all this snow is trying to get me down  
There's a fire in the corner slowly dyin' away  
Sometimes I just don't feel like goin' on anymore  
And yet I know it's more than worth the waiting  
For another chance to see the summer sun  
Come on, shine on me  
There's a fire in the corner slowly dyin' away  
Sometimes I just don't feel like goin' on anymore  
And yet I know it's more than worth the waiting away  
For another chance to see the summer sun  
Come on, shine on me
