Take Me to Tomorrow

John Denver

Hey everybody, tell me how do you feel Are you satisfied with your life Do you think it's real Tell me how is your head What are your dreams Do you have any plans Do you have any schemes Do you care about - about anybody I'd like to know Is the answer no

Take me to tomorrow Take me there today I've had my fill of sorrow and living this way Take me to tomorrow That's where I'd like to be The day after tomorrow is waiting for me

Hey everybody, what's on your mind Do you think there's nowhere else to go There's nothing left to find Are you happy where you are Do you have anything to share Do you think you're going to waste your life Spending it there Would you like to find a way out Do think it's worth a try I'd like to know Is the answer no well maybe so

Take me to tomorrow Take me there today I've had my fill of sorrow and living this way Take me to tomorrow That's where I'd like to be The day after tomorrow is waiting for me

Take me to tomorrow Take me there today I've had my fill of sorrow and living your way Take me to tomorrow That's where I'd like to be The day after tomorrow is waiting The day after tomorrow is waiting The day after tomorrow is waiting for me
