

## What One Man Can Do

John Denver

I suppose that there are those  
Who'll say he had it easy  
Had it made in fact  
Before he'd even begun  
But they don't know the things I know  
I was always with him  
It may sound strange  
We were more than friends

It's hard to tell the truth  
When no one wants to listen  
When no one really cares  
What's going on  
And it's hard to stand alone  
When you need someone beside you  
Your spirit, your faith  
Must be strong

What one man can do is dream  
What one man can do is love  
What one man can do is change the world  
And make it young again  
Here you see what one man can do

As shaded as his eyes might be  
That's how bright his mind is  
That's how strong his love  
For you and me  
A friend to all the universe  
Grandfather of the future  
Everything I would like to be

What one man can do is dream  
What one man can do is love  
What one man can do is change the world  
And make it new again  
Here you see what one man can do

What one man can do is dream  
What one man can do is love  
What one man can do is change the world  
And make it work again  
Here you see what one man can do
