## John Farnham

There's a time for love, and a time for healing. You can't go back and undo what's been done. The word of mouth. Time is revealing, just how far we've let this kingdom come. Hand to hand, we're finding our way, And today is just tomorrow's yesterday. Some will die for you, some will lie to you, There's all kinds of people in this world. Turn the world around Tear the borders down There's all kinds of people in this world This kiss of life. The hand of fate The boy grows up into his fathers' son. And he learns to love, been taught to hate To carry on the way it has been done All our lives it's debts to repay Maybe someday we can put the past away Some will die for you, some will lie to you, There's all kinds of people in this world. Turn the world around Tear the borders down There's all kinds of people in this world Some will die for you - Some will lie to you, There's all kinds of people in this world Turn your fear away - Find a better way There's all kinds of people in this world Then in a moment things can change One look behind and it's never the same Some will die for you, Some will lie to you, There's all kinds of people in this world, Turn the world around Tear the borders down There's all kinds of people in this world
