

Soul Reason

John Farnham

In my wildest dreams
Never thought I'd see
The days when one could change me
You walked into my life
Made me feel so alive
Now I am not the same here

Your my soul reason
For feeling this way
Coming in warm like the sun
Your my inspiration
Your every breathe I take
Your my soul reason (your my soul reason)
I'd laugh, I'd cry and I love

When my world turn's blue
All I have to do
Is hold you here inside me
Sometimes I wonder how
I made it up to now
Without you here beside me

Your my soul reason
For feeling this way
Coming in warm like the sun
Your my inspiration
Your every breathe I take
Your my soul reason (your my soul reason)
I'd live, I'd die and I love

I don't know when
A smile might cross my face
It can happen maybe any time or place
Ain't nobody like you (ain't nobody like you)

Your my soul reason
For feeling this way
Coming in warm like the sun
Your my inspiration
Your every breathe I take
Your my soul reason (your my soul reason)

Your my soul reason
For feeling this way
Coming in warm like the sun
Your my inspiration
Your every breathe I take
Your my soul reason (your my soul reason)
I'd laugh, I'd cry, I'd live, I'd die and I love
