

# The Reason Why

John Farnham

What did I do  
Before the day I set my eyes on you?  
Spending my time  
Just working on the things I had to do  
And then I saw your face  
I was captured heart and soul  
You gave me so much more

You're the reason why  
I listen in the night  
And steal the softest kisses  
While you sleep  
You're the reason why  
Tears will fill my eyes  
Just looking at a photograph of you

Touching my frown  
Tell me what you read between the lines  
Everything's alright  
I know sometimes I act a little strange  
You bring me so much joy

Conversations make me smile  
How could I love you more

You're the reason why  
I speak with foolish pride  
Whenever there's a chance to  
Show you round  
You're the reason why  
I lost this heart of mine  
At the very moment you arrived

I can't believe this life was ever lonely  
No I can't imagine life before you

You're the reason why  
I'm holding on so tight  
I never want to let this feeling go  
You're the reason why  
My love will never die  
My heart just could not sing if not for you

What did I do  
Before the day I set my eyes on you
