

# Two Strong Hearts

John Farnham

Well there's no need to analyse this kind of emotion  
Cause it comes naturally  
A simple case of feeling love and devotion  
So tell me tenderly

I wanna give my life to you  
I wanna to feel my blood run through you  
And oh I want to touch you  
Over and over and over again

We've got two strong hearts  
We stick together like the honey and the bee  
You and me  
We've got two strong hearts  
Reaching out forever like a river to the sea  
Running free

I feel there's no need for compromising my reputation  
When you lead me astray  
I'm proud to be apart of this fascination  
When I hear you say

I wanna there to guide you  
I'm gonna feel my love inside you  
And oh I want to touch you  
Over and over and over again

We've got two strong hearts  
We stick together like the honey and the bee  
You and me  
We've got two strong hearts  
Reaching out forever like a river to the sea  
Running free

We've got two strong hearts  
We stick together like the honey and the bee  
You and me  
We've got two strong hearts  
Reaching out forever like a river to the sea

We've got two strong hearts  
We stick together like the honey and the bee  
You and me  
We've got two strong hearts  
Reaching out forever like a river to the sea  
(Running free)

We've got two strong hearts  
We stick together like the honey and the bee (Running free)  
You and me  
We've got two strong hearts  
Reaching out forever like a river to the sea (River to the sea)  
You and me

We've got two strong hearts  
We stick together like the honey and the bee

You and me  
We've got two strong hearts  
Reaching out forever like a river to the sea
