

# Bad Bad Boy

John Fogerty

Bad bad boy  
You're drivin' me crazy  
Bad bad boy  
Shame on you  
Shame on you

Where you been all night  
Messin' with your friends  
You act so mean  
And you talk so funny  
There you go again

Bad bad boy  
You won't amount to nothin'  
Bad bad boy  
Shame on you  
Shame on you

Where you been  
What you been doin'  
Where you been  
What you been doin'  
Bad bad boy

Bad bad boy  
Can't you be  
More like your brother  
Bad bad boy  
Shame on you  
Shame on you

Where you been  
What you been doin'  
Where you been  
What you been doin'  
Bad bad boy
