

# Blueboy

John Fogerty

Way back in the hills  
There's a place I know  
People comes from miles around  
Just to watch 'ol Dooley do the show

Ooh let the blueboy play  
Ooh let the blueboy play  
Gonna ride the mule  
Gonna chase him too  
Pullin' on-a pullin' on-a  
Pullin' on-a pony  
He goes

Soon's the sun go down  
That's when the fun begins  
Hitch your wagon down the track  
Up to the roadhouse  
And come on in

Ooh let the blueboy play  
Ooh let the blueboy play  
Gonna ride the mule  
Gonna chase him too  
Pullin' on-a pullin' on-a  
Pullin' on-a pony  
He goes

Sheriff says it late  
Closin' time we got to go  
But Dooley he don't want to quit  
Ain't nobody feels like goin' home

Oh let the blueboy play  
Oh let the blueboy play  
Gonna ride the mule  
Gonna chase him too  
Pullin' on-a pullin' on-a  
Pullin' on-a pony  
He goes
