Broken Down Cowboy

John Fogerty

If I was a gambling man Never would'a let you play your hand With a broken down cowboy like me

'Cause you never can trust your luck He's bad news in a pickup truck That broken down cowboy like me

He's played every card he's got Had a good hand but he messed it up With that bum-around, tumble-down heart

Saddlebags full of pain Carries 'em around Just like a middle name A losin' streak waitin' for dark

Oh, he'll string you along Sing you a lonesome song But he'll wind up alone Again

No matter how hard you try Never going to let you get inside That tumble-down broken down heart

It's a tough riding rodeo Mean horse threw him Long time ago A broken down cowboy like me

But the way I feel about you Wouldn't want that horse To hurt you too A broken down cowboy like me

Oh, he'll string you along Sing you a lonesome song But he'll wind up alone Again

If I was a gambling man Never would'a let you play that hand With a broken down cowboy like me
