I dreamed I walked in heaven, just the other night There was so much beauty, so much light Don?t you wish it was true Don?t you wish it was true

An angel took my hand Said you don't have to hurry Got all the time in the world, don't worry Don't you wish it was true Lord, don't you wish it was true

But if tomorrow everybody was your friend Anyone could take you in No matter what or where you been But if tomorrow everybody had enough The world wasn't quite so rough Lord, don't you wish it was true

He said the world gonna change and it starting today There will be no more armies, no more hate Don't you wish it was true Don't you wish it was true

And all the little children, will live happily There'll be singing and laughter, sweet harmony Don't you wish it was true

Lord, don't you wish it was true

But if tomorrow, everybody under the sun Was happy just to live as one No borders, no battles to be won But if tomorrow everybody was your friend Happiness would never end Lord, don't you wish it was true

But if tomorrow, everybody under the sun Was happy just to live as one No borders, no battles to be won But if tomorrow everybody was your friend Happiness would never end Lord, don't you wish it was true Lord, don't you wish it was true
