

# It Ain't Right

John Fogerty

There go your big black limousine  
Shakin' your booty for the magazine  
Pickin' and posing like a wannabe

It ain't right  
It ain't right  
Such a waste of life

Maybe you forgot how we live down here  
People work hard for the money dear  
You had such a hard day lookin' at the mirror

It ain't right  
It ain't right  
Honey such a waste of life

Another long weekend with your friends  
I thought that party would never end  
Well at the old rehab and gone again

It ain't right  
It ain't right  
Honey such a waste of life

Ba Ba Ba Ba Ba, yeah!

There go your big black limousine
