

## She Thinks I Still Care

John Fogerty

Just because I asked a friend about her  
Just because I spoke her name somewhere  
Just because I dialed her number by mistake today  
She thinks I still care

Just because I haunt the same old places  
Where the memory of her lingers everywhere  
Just because I'm not the happy guy I used to be  
She thinks I still care

Oh, if she's happy thinkin' I still need her  
Then let that silly notion bring her cheer  
Oh, how could she ever be so foolish  
And where would she get such an idea?

Just because I asked a friend about her  
Just because I spoke her name somewhere  
Just because I saw her, then went all to pieces  
She thinks I still care  
She thinks I still care
