

She Thinks I Still Care

John Fogerty

Just because I asked a friend about her
Just because I spoke her name somewhere
Just because I dialed her number by mistake today
She thinks I still care

Just because I haunt the same old places
Where the memory of her lingers everywhere
Just because I'm not the happy guy I used to be
She thinks I still care

Oh, if she's happy thinkin' I still need her
Then let that silly notion bring her cheer
Oh, how could she ever be so foolish
And where would she get such an idea?

Just because I asked a friend about her
Just because I spoke her name somewhere
Just because I saw her, then went all to pieces
She thinks I still care
She thinks I still care
