

Telephone

John Fogerty

My telephone's ringin', early in the mornin'.
Somebody, gussa who? sweet baby, it's you!
Say you're callin' from the station, oh I told you "hold on,
I'm on my way!" and all you got to say,

"I wonder why you had to go, been so long and now I know,"
Sweet baby dear, everything will be alright,
'cause I've been ringin', early in the mornin',
Somebody, gussa who? sweet baby, it's you!

"I wonder why you had to go, been so long and now I know,"
Sweet baby dear, everything will be alright,
'cause I've been ringin', early in the mornin',
Somebody, gussa who? sweet baby, it's you!

Somebody, guess who? sweet baby, it was you.
Somebody, gussa gussa gussa who?
Sweet baby, it's all right. (5x)
