

# Up Around the Bend

John Fogerty

There's a place up ahead and I'm goin'  
Just as fast as my feet can fly  
Come away, come away if you're goin'  
Leave the sinkin' ship behind

Come on the risin' wind  
We're goin' up around the bend

Bring a smile and a song for the banjo  
Better get while the gettin's good  
There's a place up ahead and I'm goin'  
Where the neons, it turns to wood

Come on the risin' wind  
We're goin' up around the bend

You can ponder perpetual motion  
Fix your mind on a crystal day  
Always time for good conversation  
There's an ear for what you say

Come on the risin' wind  
We're goin' up around the bend

Catch a ride to the end of the highway  
And we'll meet by the big red tree  
There's a place up ahead and I'm goin'  
Come along, come along with me

Come on the risin' wind  
We're goin' up around the bend
