Cinema

John Foxx

Let's go out tonight
Let's go to the cinema
We'll take a walk through the lost hotels
We'll take a stroll through the Buy-and-sells

Let's go out tonight
Let's go to the cinema
Let's go out tonight
Let's go to the cinema

I like to go out of my mind
I want to get out of my mind
I want you out of my mind
Got to to get you out of my mind

You can walk into the screen
You can watch somebody scream
See the world through a million eyes
Catch a vision of Paradise

Let's go out tonight
Let's go to the cinema
Let's go out tonight
Let's go to the cinema

I like to go out of my mind
I've got to get out of my mind
I want you out of my mind
Got to get you out of my mind

Let's go out tonight

I'll take you dancing in the rain
I'll watch you flicker like a flame
I see you moving frame by frame
I watch the scene again and again

Let's go out tonight
Let's go to the cinema
Let's go out tonight
Let's go to the cinema

I want to go out of my mind
I've got to go out of my mind
I want you out of my mind
Got to get you out of my mind

let's go out tonight
We'll walk out of the cinema
I see the city in the in the rain
I watch it flicker like a flame
I watch the scene again and again
I see you dancing in the rain

Let's go
Let's go

```
I like to go out of my mind
I've got to get out of my mind
I want you out of my mind
Got to get you out of my mind
```

```
I like to go out of my mind
I've got to get out of my mind
I want you out of my mind
Got to get you out of my mind
```
