

# Mistakes

John Frusciante

Mistakes help one see  
That you make your own surroundings  
Life is a dream  
And is made by inwardly seeing what you want it to be  
Success has it's trappings  
You judge yourself based on how you think you're seen  
And you may guess how you're spoken about  
And try to fit into a box 'till you can't get out or move freely about  
Respect who you are inside  
Let your heart be your guide  
What other think says nothing about you  
Just how you relate to what they're going through  
And that's not much  
Does not say much  
Unless it's a friend when it's everything  
Those who don't want you to be anything but what you are  
Do you feel this, my sad emotion  
Do you feel it inside my baby  
Forever is here in receptive motion  
Earth with a river inside my baby  
Do you feel it inside your body  
Earth with a river inside my baby
