

# Parallel Universe

John Frusciante

Deep inside of a parallel universe  
It's getting harder and harder  
To tell what came first

Under water where thoughts can breathe easily  
Far away you were made in a sea  
Just like me

Christ I'm a sidewinder I'm a  
California king  
I swear it's everywhere  
It's everything

Staring straight up into the sky  
Oh my my a solar system that fits  
In your eye microcosm

You could die but your never dead spider web  
Take a look at the stars in  
Your head fields of space kid

Christ I'm a sidewinder I'm a  
California king  
I swear it's everywhere  
It's everything

Christ I'm a sidewinder I'm a  
California king  
I swear it's everywhere  
It's everything

Psychic changes are born in your heart entertain  
A nervous breakthrough that makes us the same  
Bless your heart girl

Kill the pressure it's raining on  
Salty cheeks  
When you hear the beloved song  
I am with you

Christ I'm a sidewinder I'm a  
California king  
I swear it's everywhere  
It's everything

Christ I'm a sidewinder I'm a  
California king  
I swear it's everywhere  
It's everything
