

Regret

John Frusciante

i regret my past
my past
i regret my past
to her
i regret my past
to her
i regret my past
to her

stay alone
stay alone
stay alone
stay alone
stay alone
stay alone

i refret my past
to her
i regret my past
to her
i regret my past
to her
i regret my past

to her

stay alone
stay alone
stay alone
stay alone
stay alone
stay alone

stay alone
stay alone
stay alone
stay alone
stay alone
stay alone
