

Unreachable

John Frusciante

Are we down for the same cause?
We don't know what we stand for
When the moment starts to crack
You do lose track where your head's at

And I am unreachable
Do you think when your head's full?
We don't rely on what we get
We begin now where we aren't yet
Ay!

One time, hit me where I turn right
I don't mean to be polite
Uniformed, spinning the world to the beat of my drums
Uniformed

One time, hit me where I turn right
I don't mean to be polite
Uniformed, spinning the world to the beat of my drums
Uniformed

Reach into the darkness for what you can find
Travel great distance in your mind
The world gets stronger as you start tryin things
Turn around towards me and walk away from dying

I've run out again this, the one on my side
For we to disappear well I know I've tried
You know we've tried, you know we've tried
Hey, shoot me
Hey, shoot me
Shoot me, shoot me
Hey

Ohhhh
