

## Angel Eyes

John Hiatt

Girl, you're looking fine tonight  
And every fella's got you in his sights  
What you're doing with a clown like me  
Is surely one of life's little mysteries

So tonight I'll ask the stars above  
How did I ever win your love?  
What did I do, what did I say  
To turn your angel eyes my way?

Well I'm the guy who never learned to dance  
I never even got one second glance  
Across the crowded room, that was close enough  
I could look, but I could never touch

Don't anybody wake me if this is a dream  
'cause she is the best thing that's ever happened to me  
All you fellas you can but look all you like  
But this girl you see, she's leaving with me tonight

And there's just one more thing I need to know  
If this is love then why does it scare me so  
Must be something only you can see  
But girl, I feel it when you look at me

What did I do, what did I say  
To turn your angel eyes my way?
