

Baby's Gonna Kick

John Hiatt

I'm riding downtown 'bout a John Lee er
Got my mind set on a slow meat cooker
My baby, is gonna kick me out someday

Somebody said wolves howlin' at my door
I ain't seen no wolf since I was 24
My baby, is gonna kick me out someday

Baby's gonna kick
Baby's gonna kick,
Baby's gonna kick me out someday
Baby's gonna kick
Baby's gonna kick,
Baby's gonna kick me out someday

Jiggle to the left, jiggle to the right
One more jiggle and I'm puting out the light
My baby, is gonna kick me out someday

Now some girls won't do the fire walk
They try to tell you that the coals ain't hot
And my baby, is gonna kick me out someday

Baby's gonna kick
Baby's gonna kick,
Baby's gonna kick me out someday
Baby's gonna kick
Baby's gonna kick,
Baby's gonna kick me out someday,

Baby's gonna kick
Baby's gonna kick,
Baby's gonna kick me out someday
Baby's gonna kick
Baby's gonna kick,
Baby's gonna kick me out someday

Baby's gonna kick
Well Baby's gonna kick,
Baby's gonna kick me out someday
