## Have A Little Faith In Me

When the road gets dark And you can no longer see Just let my love throw a spark And have a little faith in me

And when the tears you cry Are all you can believe Just give these loving arms a try And have a little faith in me And

Have a little faith in me Have a little faith in me Have a little faith in me Have a little faith in me

When your secret heart Cannot speak so easily Come here darlin' From a whisper start To have a little faith in me

And when your back's against the wall Just turn around and you will see I will catch, i will catch your fall baby Just have a little faith in me

Well, I've been loving you for such a long time girl Expecting nothing in return Just for you to have a little faith in me You see time, time is our friend 'Cause for us there is no end And all you gotta do is have a little faith in me I said I will hold you up, i will hold you up Your love gives me strength enough So have a little faith in me
