

It's All Right With Me

John Hiatt

Spend my money but love me honey.
Break my heart but be my girl.
I just want you to be there when I come home.

Drive my new car; smoke my cigar.
Buy you diamonds and your pearls.
Ooh ooh treat me like a dog but throw a little meat on them bones.

And it's all right.
Yes, it's all right.
It's all right with me.

You can hurt me but don't desert me.
Leave me runnin' but stay all night.
I want you to know your love is what I need.

You can use me but don't refuse me.
Turn me back but do me right.
I just want you to know my love is guaranteed.
