

## Let's Give This Love A Try

John Hiatt

Sometimes I don't like being where I am  
No matter what  
I'd rather be in a barrel of kosher salt and pickle brine  
With a thousand paper cuts  
I'm uncomfortable in my own skin you might say  
Feeling my own guts  
So tell me something about yourself sweetheart  
Before I screw this whole thing up

You say you feel like a phony romancer  
Though you still believe in love  
Make you feel like a dancer  
Like you got all the answers  
Leave you wonderin' what you were made of  
You don't see no chain mail hiding puppy dog tails  
I've been sufficiently horrified  
I got just enough left to wanna see what's next  
Why don't we give this love a try

Let's give this love a try  
All we can do is cry  
Hang out your tears to dry  
Let's try this love  
Let's give this love a try  
The sun's setting in your eyes  
I'm all out of when and why  
Let's try this love

I never met two people more likely to explode  
Scattered, chopped, screwed, covered up and smothered into each other  
arms  
Please forgive me my basic negativity  
God help us both if you find it even part of my charm  
By the way you swept me off my feet  
With the gentleness of an angel flying by  
I'm a long shot baby, but they do come in  
Why don't we give this love a try

Let's give this love a try  
All we can do is cry  
Hang out your tears to dry  
Let's try this love  
Let's give this love a try  
The sun's setting in your eyes  
I'm all out of when and why  
Let's try this love

I'm all out of when and why  
Let's try this love
