

# Living A Little, Laughing A Little

John Hiatt

Laugh everyone at the clown  
He's the best one in town, Ummm ummm  
Ride on his merry-go-round  
Spinning faster than sound  
Uuuuh huh Uuuuh huh

Laugh as the funny man cries  
Though his makeup is smeared  
Uuuuh huuuh  
Laugh at his funny pictures  
As he (paints out the years[?])  
Uuuuh huh Uuuuh huh

Livin' just a little  
Laughing just a little  
Ain't easy, Uuuuh huuuh

Livin' just a little  
Laughing just a little  
Ain't easy

Laugh everyone at the fool with his heart in his hand  
Uuuuh huuuh  
Mmmmm, he can't quite understand that he's less than a man  
Uuuuh huuuh Uuuuh huuuh

there's an ember of pride  
Uuuuh huuuh  
Watch how he tries hard to hide that he's dying inside  
Uuuuh huuuh  
Uuuuh huuuh

Livin' just a little  
Laughing just a little  
Ain't easy, Uuuuh huuuh

Livin' just a little  
Laughing just a little  
Ain't easy

Livin' just a little  
Laughing just a little  
Ain't easy, Uuuuh huuuh

Livin' just a little  
Laughing just a little  
Ain't easy
