

## Lovers Will

John Hiatt

Who'll take the only hearts they got  
And throw them into the fire?  
Who'll risk their own self-respect  
In the name of desire?  
Who'll regret every thing they've done  
And who'll get the bill?  
Lovers will

Who'll hurt each other all the time  
And never give it a thought?  
Who'll like about where they've been  
And hope they never get caught?  
Who'll say each other's kisses  
No longer thrill?  
Lovers will

Lovers will do almost anything  
For the thrill that only love can bring  
If love is a healer, who'll be the first ones ill?  
Lovers will

Who'll never know what they've got  
Until its just about gone?  
And whose arms will gather up whats left  
To carry on?  
And who'll stalk that little bit of love  
That hasn't been killed?  
Lovers will
