

# Your Love Is My Rest

John Hiatt

These are the words  
That cry out of me in the night  
Like a buffalo herd  
From a shotgun blast scattered in flight  
I got a one track mind  
Going down a one train line  
Living on dreams half the time  
Going West

I gotta pick up speed  
Just to get what I need  
The end of the line guaranteed  
Your love is my rest

The coal catches fire  
I'm down the wire in a flash  
That big old smoke stack  
Is belching out black smoke and ash  
So sad to think of  
Hurting the one you love  
But surely that's what leaving does  
You'd know best

I gotta pick up speed  
Just to get what I need  
The end of the line guaranteed  
Your love is my rest  
Your love is my rest

We pass through the land  
Of Custer's last stand  
And I grin  
So this is where old Yellow Hair's  
Ghost dance begins  
I got the blood on my hands  
Can't even live where I stand  
I'm just a traveling man  
Cursed or blessed

I gotta pick up speed  
Just to get what I need  
The end of the line guaranteed  
Your love is my rest  
Your love is my rest  
Your love is my rest
