

Kiss And Say Goodbye

John Holt

This must be the saddest day of my life
I've got to leave you today darling
Because of my obligations
Let's just kiss and say goodbye

I had to meet you here today, pretty baby
There's so many things to say, yeah
Please don't stop me 'til I'm through
This is something I hate to do
We've been meeting here so long
What we done, must have been wrong
Please darlin', don't you cry
Let's just kiss and say goodbye

Many months have passed us by, yes they did
I'm gonna miss you, I can't lie
I've got ties, and so do you
This is the best thing for me to do
It's gonna hurt me, I can't lie
Maybe you'll meet another guy
Please darling don't you cry
Let's just kiss and say goodbye

Oh baby

I'm gonna miss you, I can't lie
Understand me, won't you try, try, try, try, try
Let's just kiss and say goodbye
It's gonna hurt me, I can't lie
Understand me, won't you try baby
