Let Your Love Flow

John Holt

There's a reason for the sunshine sky There's a reason why I'm feeling so high Must be the season when that love light shines all around us.

So let that feeling grab you deep inside And send you reeling where your love can't hide And then go stealing through the summer nights with your lover.

Just let your love flow like a mountain stream And let your love grow with the smallest of dreams And let your love show and you'll know what I mean, it's the se ason

Let your love fly like a bird on the wing And let your love bind you to all living things And let your love shine and you'll know what I mean, that's the reason

There's a reason for the warm sweet nights There's a reason for the candlelights Must be the season when those love rites shine all around us.

So let the wonder take you into space And lay you under its loving embrace Feel the thunder as it warms your face you can't hold back.

Just let your love flow like a mountain stream And let your love grow with the smallest of dreams And let your love show and you'll know what I mean, it's the se ason
